Passed at the Department Affairs Committee Meeting on December 16, 2010

- Article 1. The goals of these rules are to provide complete and basic knowledge in medical engineering and optoelectronic field, establish extensive learning basis, and strengthen the competitiveness of doing research and working for students. In accordance with the Procedures for Establishing Cross-school, Cross-department, and Cross-disciplinary Degree and Course Programs, Enforcement Rules for Biomedical Optical Course Program (hereinafter called the Rules).
- Article 2. The program committee consists of 5 to 7 committee members. One member shall be elected as the convener by and from the entire membership of the committee.
- Article 3. The responsible unit for this program is the Department of Electronic Engineering of the School of Information Technology.
- Article 4. Upon being passed at the Department Curriculum Committee Meeting, School Curriculum Committee Meeting and University Curriculum Committee Meeting and the Academic Affairs Committee Meeting, and approved by the president, the list of the required courses and associated credit hours was announced and implemented.
- Article 5. All undergraduate students of Ming Chuan University can apply for this program through MCU Student Information System and be admitted upon approval.
- Article 6. Students must complete 21 credit hours. Among them, at least 6 credits shall come from the outside of the departments of the student's major and minor. After the completed credits are reviewed by Economics and Banking Department and approved by the president, the certificate will be issued by the University.

Article 7. With the exception students in the Teacher Education Program who are eligible to extend their study period in accordance with regulations outlined in Procedures for Establishing Teacher Education Centers, if students taking the program related to these Rules meet the requirements for graduation in their original department or graduate program but have not completed the credits required for the program, they are limited by regulations outlined in University Law and may not extend the number of years required for graduation.

Article 8. The program will be reviewed periodically by the School of Social Sciences, including the numbers of applicants, certificates obtained, and students' satisfaction levels. Revision or termination of the program shall be made according to the assessment results.

Article 9. Matters not covered in these Rules will be dealt with in accordance with the General Provisions for Study which have been established at this institution, and other relevant regulations.

Article 10 Upon being passed at the Department Affairs Committee Meeting, School Affairs Committee Meeting and Academic Affairs Committee Meeting, and approved by the president, these regulations may be announced and implemented. Any revision must follow the same procedure.
